

Flipping Fiesta Update

We are closely monitoring government policy changes, Centers for Disease Control (CDC) guidelines, government mandates, and public health advancements and will continue to make changes as necessary or appropriate to our protocols and procedures.

We thank you for choosing Midwest Training & Ice for your business. As you are aware, we are facing a unique time and set of circumstances especially now that the World Health Organization has declared the COVID-19 outbreak a pandemic. At Midwest Training, we care deeply about our family of employees and our communities.

Restarting Recreational Classes/Opening Date: June 1st, 2020

All uniforms for Flipping Fiesta were ordered before the pandemic had hit us, so **no refunds** on the uniform fee are possible. The company where we order from will be holding the uniforms until we are ready to return and will ship to us in the near future. Once we have received them we will be in contact with you and you will be able to pick them up. Our original date for the Flipping Fiesta, May 16th, is no longer feasible given the circumstances. We look forward to the time when our country is healthy enough to host an event like this in our near future.

We would love to see everyone wear their uniforms to class when they return. All uniforms will be shipped to Midwest in Dyer and will be sorted. If you primarily take classes at our Crown Point location you will be able to pick up your uniform at that location. Again, we will contact you when pick up becomes available.

Thank you for your patience and support and if you have any questions please feel free to reach out to us.
