

Midwest Elite Cheer Team New Protocols

*All new protocols will be followed through the month of June & *tentatively* July

Restarting/Opening Date: May 24th, 2020- We will be opening the facility on May 24th ONLY to Team Members in our Dyer location. The facility will open to recreational classes starting June 1st, 2020. The week of May 24th will strictly be a conditioning week. We will take this time to get the athletes back into the swing of practice, and start building their muscles up before returning to a regular training practice. There will be NO FEE charged for this week in May. Regular billing will start on June 1st, 2020.

Social Distancing Midwest Elite Team Guidelines:

- All equipment will be sanitized between each rotation throughout class.
- 6 feet of social distancing will be maintained by markings on the floor.
- There will be no use of cubbies/lockers in the facility. We ask that each child brings their own bag to contain all of their belongings. Including but not limited to- shoes and water bottles
- There will be no use of water fountains in the facility. Please bring a water bottle with your child's name on it for their drink breaks.
- All students will be required to wear socks or cheer shoes - NO EXCEPTIONS
- Siblings and additional spectators not participating in class are not allowed in the facility.

New Class Format:

- Entering/Existing class protocol: We ask that everyone comes in the front main door, and exits the specified door when their practice is over.
What does this mean? When entering the facility you will go through the main entrance. At the end of class your instructor will indicate which side door you will be using to exit. All doors will be marked on the outside with what classes will be exiting through which door- this way if you choose to wait in the car for your child you will know exactly what door to look for your child out of.
